**GREAT COMMISSION RESEARCH NETWORK
GREATCOMMISSIONRESEARCH.NET
(Formerly: The American Society for Church Growth)**

What is the Great Commission Research Network or GreatCommissionResearch.net?

The Great Commission Research Network is a worldwide and professional association of Christian leaders whose ministry activities are based on the basic and key principles of church growth as originally developed by the late Donald McGavran. Founded by renowned missiologists George G. Hunter III and C. Peter Wagner, the GreatCommissionResearch.net (formally the American Society for Church Growth) has expanded into an affiliation of church leaders who share research, examine case studies, dialogue with cutting-edge leaders, and network with fellow church professionals who are committed to helping local churches expand the kingdom through disciple-making

Who Can Join the GCRN?

GCRN membership is open to all who wish a professional affiliation with colleagues in the field. The membership includes theoreticians, such as professors of church growth, and practitioners, such as pastors, denominational executives, parachurch leaders, church planters, researchers, missions leaders, and consultants. Some members specialize in domestic or mono-cultural church growth, while others are cross-culturally oriented.
